Amid the dreaming, the dramas and the dirty dishes, something has to give. But will it be Kath or the kitchen sink?

Things aren't going to plan for one family in Withernsea. Pieces are falling off Martin's milk float as quickly as he's losing customers and something's up with Kath's kitchen sink. Billy is pinning his hopes of a place at art college on a revealing portrait of Dolly Parton, whilst Sophie's dreams of becoming a ju-jitsu teacher might be disappearing down the plughole.

This play contains strong language.
