This entertainment is by and about the Kings and Queens of England. It includes music, poetry, speeches, letters and other writings from Chronicles, Plays and the Monarchs' own Words, brought to life by our cast of readers and singers with live music.

"Let us sit upon the ground and tell sad stories of the death of kings, how some have been deposed, some slain in war, some haunted by the ghosts they have deposed, some poisoned by their wives, some sleeping killed, all murdered - for within the Hollow Crown that rounds the mortal temples of a king keeps death his court."
